Great American Smokeout

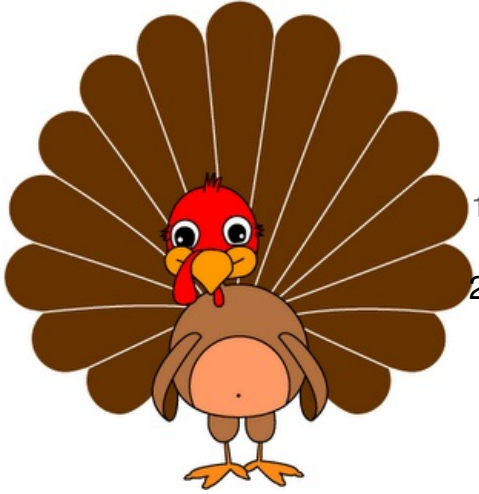

About 42 million Americans still smoke cigarettes, and tobacco use is the single largest preventable cause of disease and premature death in the United States.

To help stop tobacco use, The American Cancer Society has set aside November 19th for the Great American Smokeout event. It encourages smokers to make a plan to quit. Call the Wisconsin Tobacco Quit Line at 1-800-QUIT NOW (800-784-8669) for more information and

resources on quitting.

Wild Turkeys

We love turkeys for Thanksgiving, but wild

turkeys can be a nuisance to your property and on the roads.

Turkey Tips:

1. Don't feed wild turkeys (loose garbage, bird feeders, etc.)
2. Scare away problem turkeys with hazing techniques
