- Save 10% on an extra recycling container. ([click to pay for container](#))
- Ensure your home is Code Compliant. One code compliance inspection is now only \$100.00. Schedule an inspection today. ([Code Compliance Application](#))
- Follow us on [Facebook](#) for free!

## Thank you

As the construction season comes to an end soon, thank you to all Bayside residents for enduring a long and difficult construction season.

Approximately 86% of the homes in the Village had construction occur in front their home this year.

## Final Leaf Collection

The final loose leaf collection will occur this week. Once crews have passed your house, leaves will only be collected by special pickup.
