

Bayside BUZZ

Thanks for your work!

Public Safety Telecommunicators process 240 million calls nationwide and nearly 100,000 here in the North Shore. This week marks National Public Safety Telecommunicators week. We would like to offer a special thanks to our 21 telecommunicators here in Bayside who answer the phone when you call 911 not only here in Bayside, but anywhere throughout the North Shore.

These men and women respond to emergency calls, dispatch emergency professionals and equipment, and render life saving assistance. We are grateful for their service and hard work!

Make sure your family is prepared should there be actual severe weather:

- Develop a plan for your family for home, work, school and outdoors. Know the safe shelter areas in multiple locations.
- Have frequent drills
- Keep a disaster supply kit in your home
- Be sure your weather radio is working properly. Spring is a great time to install fresh batteries.
