

Bayside BUZZ

Continue to be careful!

We know it's not as hot as last weekend. However, it's still important to stay focused on warm weather safety as we continue through the summer.

- Drink more fluids (nonalcoholic) regardless of your activity level.
- Wear lightweight, light-colored, loose-fitting clothing.
- NEVER leave anyone in a closed, parked vehicle.
- Check regularly on those most susceptible to heat-related illness:
 - young children,
 - those 65 and older,
 - the physically ill.

Water, Water, Water

Many of you had landscaping restoration work done near your property recently. The most important thing you can do now is water!!!

You should water 4-7 minutes at least every other day to keep the seed moist. The straw mulch that was put down helps to retain moisture and promote seed growth. You can cut the grass when it gets to 6-9 inches long. You can cut it with the straw as the straw is bio-degradable.

Drop Off Night

Next Tuesday, August 2 is a drop off night for recycling, yard waste and electronics (no TVs). Bring your items to the DCUS Yard (enter off Fairy Chasm) from 4pm-7:30pm.

Our complete list of drop-off times is [available on our website](#).

Is it visible?

Per Village ordinance, please ensure address numbers are clearly posted on your mailbox and visible on your residence from the street. Emergency responders rely on these numbers to quickly locate your residence in case of an emergency.

Take me out to the ball game!

Join us on August 8 for Bayside night at the Lakeshore Chinooks. Tickets include a Chinooks Hat! For more information and to purchase tickets, [click here](#).

Bayside 5k run / 2 mile walk

Only one more week to sign up at the reduced prices! Adults can participate for only \$15 which includes a dri-fit shirt, beverage, and snacks.

Make sure you join us on Friday, September 9 for a fun night in Bayside! For more information and to sign up, [visit our run/walk page](#).
