

Bayside Buzz

A Newsletter from the Village of Bayside

Bayside Middle School

The [Bayside Middle School](#) is going to begin a large summer project in the coming weeks.

The Bayside Middle School will be making extensive improvements to the school grounds. These improvements include:

- Reconstructing and resurfacing the east parking lot.
- Resurfacing the running track.
- Constructing a stormwater pond on the south side of the east parking lot.
- Making stormwater retention improvements on site.
- Constructing a softball field on the west side of the property.
- Repaving the northwestern parking lot.
- Removing the southeast parking lot/ over 45,000 square feet or one (1) acre of impervious surface.

For questions, call Bayside Middle School at (414) 247-4201.
