### Cold Weather Safety Tips

Winter weather provides additional safety and health concerns. To stay safe during this colder time of year:

- Dress warmly and stay dry.
- Work slowly when completing outdoor chores.
- Avoid walking on ice.
- Notify friends and family on your location during outdoor recreation.

For more information, visit the [Centers for Disease Control](#).

### Mount Bayside

If this weekend's weather brings the predicted snow, the slopes of Mount Bayside will be open once again.

All are welcome to enjoy the sled hill located north of Village Hall at 9075 N Regent Road.

## Cross Walk Safety

Motorists slowing down and paying attention at crosswalks can be the difference between a safe ride and an accident.

Pedestrians can use good judgement by making eye contact with motorists, not assuming motorists can see them, and not darting into traffic.

The [Wisconsin Department of Transportation](#) and [Village website](#) provide more information on [pedestrian safety](#).

## Save the Date

Do you already have items piling up in the basement or garage? Save the date for the 2019 Clean-Up Days, which will be held:

- April 6, 2019
- October 5, 2019

The Village collected 75,000 pounds of items at the 2018 Clean-Up Days. More information on Clean-Up Days is available on the Village [website](#).

## Car Seat Installation

Are you checking off all the things you need to do before the new baby arrives? One item that may have not made the list

is car seat installation assistance.

Schedule a car seat installation appointment with the [North Shore Fire/Rescue Department](#). Appointments can be made [online](#) and should be scheduled for at least one month prior to the due date.

## Coyote Reporting

Have you seen a coyote in your neighborhood? If so, report it to the [Milwaukee County Coyote Watch](#).

Milwaukee County uses this information to learn more about coyote populations and their behavior.
