Recycling, it can be simple!

Make it simple, apply these three steps to ensure everything you place in your recycling container is recycled through the Village's bi-weekly collection.

1. Recycle empty bottles, cans, paper and cardboard.
2. Keep food and liquid out of your recycling.
3. Empty recyclables into your cart. NO bagged recyclables. Return plastic bags to a local grocer.

It's that simple! Non-compliance results in more garbage, more costs, and more environmental impacts.

If you love them, license them

All dogs and cats over the age of 5 months are required to be licensed in the Village. Renewals have been mailed to those who had a pet licensed last year.

Why license your pet?

- It greatly improves your chance of getting your animal back if it goes missing
- It lets law enforcement know your animal is up to date on rabies vaccines
- Animal license fees fund animal cruelty, abuse, and neglect investigations.
- State law and Village ordinance require dogs and cats to be licensed.
