

Adopt-A-Tree

With the continued spread of Emerald Ash Borer in the surrounding area, the Village has been working proactively since 2007 to enhance and diversify its urban forest. One way we are working to accomplish this is by continuing the "Adopt-a-Tree" program in 2014.

Are you willing to adopt a tree? Through this program, the Village works with interested residents to select a tree species and the best location for trees in the right-of-way in front of their homes. The Village handles the planting of the trees and homeowners then take over with watering and maintaining the tree.

If you are interested in a tree that would be planted in the spring or fall, please contact Rebecca VanRegenmorter at (414)351-8812 or rvanreg@bayside-wi.gov.

Coyote Meeting

Interested in learning more about coyotes in our area? An informational meeting will be held at the Bayside Middle School Cafeteria on Monday, March 3 from 6:30pm-8:30pm.

Only a few days left....

Only a few days left for our snow creation contest. [Submit your entry](#) by the end of the day February 28.
